

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized in the business as durable and strong machinery which satisfies all the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind model of floor scrubber together with the Clarke Company which is presently likewise owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln can provide parts, warranty service and machinery for these kinds of scrubbers that carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of many facility managers where results and efficiency matter. Lately, this floor scrubber model has been requested by the architects in different construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this particular sweeper scrubber on location because of the model's excellent quality and supreme performance level for polishing concrete.
