Advance-Nilfisk Parts - Think about how tiresome it will really be to tidy up your house right after throwing a large party, with out help from cleaning machines. Back in the day, the time carpets and upholstery had the dust beat out of them by hand; brushes, brooms and cleaning cloths were the leading cleaning materials back then.

The man who founded Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who liked to work on electrical motors. After founding his business in the year 1906, he started to produce motors to drive machine tools, drills, coffee grinders and fans. Mr. Fisker's vision from the start was to have a global company advertising goods globally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner which could be operated by one individual in view of the fact that it just weighed 17.5 kilos! This creation came in a time where many cleaning machines were huge and required at least 4 operators, hence, the Nilfisk C1 changed everything and developed the manner we clean forever. The brain behind these first cleaning equipment remains unparalleled. Cleaning equipment provide a brilliant solution to an ongoing dilemma; stuff get dirty and should be cleaned frequently, without a lot of effort.

Slowly but progressively, Nilfisk-Advance expanded all through the decades. In the 1980s, this growth truly took place when the business became a part of the NKT Group. Their new owners' determination and motivation made Nilfisk-Advance take a huge leap forward within the business, trying to be among the largest universal players in the market of professional cleaning equipment. Nilfisk-Advance is now found in every part of the world by steadily acquiring a lot of smaller companies in order to develop their product selection and presence in new markets. They are proud to present different cleaning solutions to meet each need.
