

Concrete Hopper

Concrete Hopper - This accessory is a self-dumping hopper that automatically activates to dump as soon as bumper release touches the side of a dumpster. After dumping is finished, the hopper goes back to an upright and locked position. This piece of equipment even comes with a cable which enables operation from the seat of the lift truck in order to have the choice of manually dumping the hopper. There is a locking chain provided so as to lock the hopper to the tine truck. This product is made with consistent and reliable robotic welds for utmost strength. The lift truck dumping hopper likewise has a blue powder coat finish in order to maintain durability.
